

**NEVER touch equipment,
chemicals, or other materials
WITHOUT PERMISSION**

Keep your work area clean and tidy at all times.

Keep it clean to keep it safe

Dispose of chemicals according to the teacher's directions.

**Keep your hands away
from face, mouth,
eyes, and body during
experiments and wash
them before you leave
the lab.**

**Clean, rinse, and dry
all equipment and
return it to its proper
place.**

**Goggles and aprons must
be worn during all
laboratory experiments.**

Dress appropriately for lab—wear closed-toe shoes, tie hair back, remove rings and watches, and do not wear loose clothing.

**Report ALL
accidents to your
teacher
immediately—even
the small ones!**

**Consider all chemicals
dangerous—do not
touch, taste, or smell.**

Extreme Heat, Use Caution!!

Use insulating materials or tongs when handling heated equipment. DO NOT place hot equipment on the lab table—use an insulating pad or wire gauze.

**Fire
blanket**

**CLOSED
TOED
SHOES**

NO

**RUNNING OR
HORSEPLAY!**

**WHEN THERE IS A
QUESTION...**

**...WEAR YOUR EYE
PROTECTION!**
